Special Council Session Called Over Taxis

"HAS BEEN HEAD-
ACHE TO ME,"
DECLARES MAYOR

A special council meeting was called on Tuesday evening by Mayor Dales for the purpose of deciding if the taxi by-law was to be enforced.

"Either approve of this taxi licensing now or disapprove," said the Mayor. "It has been a headache to me for the past week."

Clerk N. L. Mathews produced three applications which he had received from Geer and Byers, Louis Knowles and Graves and Allen. The latter had enclosed a cheque for \$50.

"I met Telford McMullen on my way up here tonight and he would like to make application for a taxi," stated Ald. Bowser.

"It doesn't matter to me if there's a dozen taxis in town," spoke up the Mayor. "We can't restrict them any more than we can restrict the number of stores."

Clerk Mathews informed council that they could restrict the number of taxis in town if they wished to do so.

Chief Sloss stated that he had gone over the applications and found all three applicants to be qualified. Graves and Allen carried public liability and property damage insurance policies to the value of \$5,000, and \$10,000 and passenger hazard insurance, which he believed to be satisfactory.

"I would move they be accepted if their qualifications are alright," said Ald. Spillette. "Messrs. Graves and Allen should be granted a license. A cheque is already attached to their application."

"We should insist on giving a great deal more protection to the people," stated Deputy-Reeve Vale. "I think we should stipulate insurance policies to the value of \$10,000 and \$20,000."

"I think you're splitting hairs over it," replied Mayor Dales. "You are interfering too much in this business."

"I think this insurance should be alright if that is all they ask in Barrie," said Ald. Spillette. "Personally I think we are being pretty unfair."

"My goodness, you would think it was the town's insurance you were talking about," added the Mayor.

Reeve Lundy agreed with Deputy-Reeve Vale that the insurance should be increased, and stated that the difference in the premiums would not amount to a great deal.

York Surpasses Victory Loan Objective

Once again North York is over the top in Victory Loan subscriptions. With an objective of \$1,600,000.00 and \$300,000.00 special subscriptions, the total achieved was \$2,133,300.00 to the good. The special (big subscribers) objective of \$300,000 reached the high of \$513,500, while the town of Newmarket were \$44,400 over their amount. North York citizens answered the "Come On Canada" call.

Queen's Rangers Mobilize For Active Service

MANY LOCAL LADS
AND MEN IN
THIS UNIT

The Queen's York Rangers, one of Canada's oldest regiments, until Sunday one of the reserve infantry regiments, included in the newly formed brigade group in Military District No. 2, has been ordered to mobilize for active service.

The Queen's York Rangers was organized nearly 200 years ago to protect settlers in New Hampshire against the Indians. The group of men was then known as Roger's Rangers, and they joined the British colonial forces as scouts some time later, and were designated the Queen's Rangers. During the Seven Years' War the Rangers fought at Ticonderoga and Louisbourg, and at Quebec with Wolfe. In 1763 they fought against the Indian Chief Pontiac at Detroit, and in 1776, when the American Revolutionary War broke out the Rangers were once more in the service of Britain.

The Queen's York Rangers carry also the title 1st American Regiment, and they are ranked in seniority 12th among the militia regiments of Canada. This is due to the irregularity of their history, for they were many times disbanded and allowed to remain inactive for several long periods.

The Rangers played an important part in Britain's fight to retain the American Colonies. In 1779, the third year of the Revolutionary War, they were given the right to carry the title of the 1st American Regiment.

When the British forces surrendered to Washington at Yorktown, Captain Simcoe, later to be Governor of Upper Canada, refused to give up the colors which his unit had carried through so many fights. He escaped and brought the colors back with him to Upper Canada.

Now the colors hang in the public library, where they were placed in trust. The officers and men of the regiment would give almost anything if the colors could hang in the Officers' Mess in Fort York Armories, which, it seems, would be the logical place; where they could be taken care of and protected.

When Simcoe became Lieut. Governor of Upper Canada in 1791 he commanded that the Queen's Rangers be reorganized. In 1802 the regiment was once more demobilized, to be called into service again during the Rebellion of 1837. After serving in the brief fight at Montgomery's Tavern, and some years later on the Niagara frontier the famous Rangers were disbanded, some men returning to civil life and others joining the companies which eventually formed the York Rangers. They were gazetted as a unit of the Canadian Militia on September 14, 1866.

The York's had companies in nine villages of York County—then much larger than today. Four companies were called out in the North-West Rebellion of 1885, and with four companies of the Simcoe Foresters, formed a battalion known as the York-Simcoes. Many men from the York Rangers served in the South African War and more than 6,000 all ranks served in the last Great War.

During this war the regiment has supplied about 100 officers and nearly 1,000 men for active service units. When recruiting starts for the newly-mobilized regiment, it is presumed that most of the re-

WAR EMERGENCY MEETINGS

The last in a series of war emergency lectures was held at the town hall on Tuesday evening, with Major Mungovan of the Queen's York Rangers speaking on A.R.P. He dealt mainly with gas raids, describing the symptoms and treatment of tear gas, nose irritants, lung irritants and blister gas. Sgt. Choppin explained the construction and use of respirators, and each person present was permitted to adjust their own respirator, breath through it and take it off and repack in a haversack. Sgt. Ted Hewson assisted with the demonstration of respirators.

There has been a paid-up attendance of sixty-four at these meetings with several visitors on different occasions. Mrs. C. Cumber, Mrs. O. Hayes and Mrs. Wilkins attended one hundred per cent. of the meetings. It is felt that those who attended have gained a considerable amount of knowledge and will be able to give aid in emergencies.

The Home and School Association would like to thank all those who have helped to make these lectures possible, especially Mrs. Rogers who has been the nurse in charge of the demonstrations.

A St. John's Ambulance Course is being considered, and if enough citizens are interested this may be arranged. Will all those interested, please leave their names with either papers.

Mr. and Mrs. Isaac Lindenbaum were thrilled on Saturday to hear their son, Serg. Albert, who is in Scotland with a forestry battalion, speak on the overseas broadcast. Albert's voice came in as natural as if he had been back in the store. In his message was a special greeting to his two grandmothers.

Old Rivals Aid Soldiers' Fund

SPECIALTY WIN
FROM TANNERY IN
OVERTIME TUSSELE

Fighting an uphill battle all the way, Office Specialty downed their highly-rated rivals, the Davis Leather Tanners, in a see-saw hockey struggle that terminated only when the teams had played 23 minutes over the regulation 60 minutes.

The game in aid of the local Soldiers' Comforts Fund, was hard-fought due to the soft ice, but the patrons enjoyed it, and revived for a night the days of the old industrial league when the Tanners, Specialty, Town and S.O.E. teams engaged in their thrilling series for local hockey supremacy.

The Specialty boys handicapped with more than their share of penalties, came from behind each time to tie the score, and finally to win out on Amb. Rae's labelled shot at the 23-minute overtime mark.

The Tannery, with those three junior stalwarts of Gunn, McGinnis and Broughton to the line-up, were dangerous at every move, and only the sensational work of Gord. Gardiner, in the Specialty cage, prevented the leather men from finishing at the top end of the score sheet.

The first, second, third and first overtime periods ended all even as the teams scored alternate single goals in each of the frames, but in the third regulation period and the (Continued on Page 5, Col. 3)

OVERCOME 5-GOAL
MARGIN; PLAY IN
MIDLAND TONIGHT

Five goals down, with twelve-and-a-half minutes to go, Sutton Intermediates accomplished the impossible Tuesday night at home, tying up the game with Midland in regulation time and coming on in overtime to win by a one-goal margin. This was the first game in the best two out of three, to declare a group winner to go on in quest of the Intermediate "A" crown.

It was the daffiest game of Canada's winter pastime—the fastest sport in the world—that fans in this hockey-minded county have ever witnessed.

The Lake Simcoe club opened up the attack from the drop of the puck, and in the first five minutes besieged the Midland cage with 30 many shots that it would be impossible to register the amount of flying rubber. Then Midland beat Hall on a breakaway. It was well toward the end of the period when the homesters knotted the count.

Then came the eventful second (Cont'd on Page 5, Col. 3)

Monster Scrap Pick-Up Saturday March 14th

FATS ARE URGENTLY
NEEDED FOR
WAR WORK

Weather conditions have been unfavorable on the last two pick-up days with the result that only partial collections were made. Plans are being made for a monster pick-up all over town on Saturday, March 14.

FATS and BONES will be collected with other materials. Fats particularly are urgently needed. Twenty pounds of household fats used in soap making produces two pounds of glycerine as a by-product. Two pounds of glycerine make four pounds of nitro-glycerine which in turn makes enough cordite for one 4.7 shell.

RUBBER—Shortage of crude rubber makes it necessary to substitute used material. Old tires, tubes, footwear, garden hose, hot water bottles, etc. can be used again. In recent years tire manufacturers have made souvenir ashtrays in the shape of a tire with a glass centre. This miniature tire is pure rubber. The National Salvage Committee is asking that these be turned in for salvage.

PAPER of all kinds is needed. The shortage is acute. Demand is running ahead of supplies and no early easing of the situation is in sight. Paper, like rubber and rags can be used over and over again. This means that we must salvage wherever possible to stretch the available supply over our needs.

One newspaper would make three 26-pound shell cups, 60 large cigarette cartons would make one outer shell container, 20 breakfast cereal cartons would make one case for

FOUR SONS IN ACTIVE
SERVICE

With the signing up last week of their youngest son, Frank, with the Army Service Corps, all four sons of Mr. and Mrs. George Calver of Mount Albert, are now in the armed forces. John is stationed at Ottawa with the Air Force, Noel is at Camp Borden with the Air Force, and Jeffrey is at Vancouver with the Army. The father is a veteran of the Great War.

MECHANIZED EQUIPMENT
TOURS TOWN

A mechanized unit of a number of tanks, jeeps and other mechanized vehicles, with seventy men, passed through town on manoeuvres on Monday. Several of town streets were visited and bombs were shot off going up the Main street making more than considerable noise. A window in the town clerk's office was shattered from the concussion.

a three-pound shell, one old envelope will make one cartridge wad and 12 old letters will make one box for rifle cartridges.

RAGS and SCRAP METAL of all kinds are also urgently needed. Cans will be out in the morning to assist in getting bundles tied and ready for trucks in the afternoon.

The boys are hoping for favorable weather so these much-needed materials may be started on their way to factories which are waiting for them.

EDITORIAL

IN NAME ONLY

The editor of this journal is the secretary of the Newmarket Board of Trade, and while the duties are not heavy, the job is interesting—interesting in the fact that the communications received almost daily make us realize that the merchants do need to band themselves together in such an organization if they expect the maximum returns for their business and for the community.

Last week for example, we received a letter from a doctor inquiring into the possibilities of setting up a practice here. This morning's mail brought a request for information on the renting of two canoes for a trip from Newmarket to Waubesahe in August.

These two requests are merely examples. There are dozens of them, and despite the fact that the merchants showed no interest in a reorganization meeting some few weeks back, we are definitely of the opinion that Newmarket sorely needs such an organization.

"We have the Lions Club. They can look after things," one merchant told us. The Lions Club is a service organization to look after the welfare of our children. Mr. Merchant, business is getting tougher every day. Before the end of the year we are going to see undreamed-of changes. It is in your own interests that you should be interested in a Board of Trade.

WRITING EDITORIALS

How often one hears admiring comments on how easy it must be to write editorials, says the Kincardine News. Any one who has never tried it thinks that they pour forth in much the same fashion as water, only purer.

Alas, such is not the case. The person who can sit down and give out in convincing fashion editorially the same as a tap is turned on and off is either a genius or a fool, and since there seems to be a dearth of the former, it is only reasonable to conclude that person is the latter.

In the first place, the mental machinery must be put in motion on the basic thought. After the anguish of giving birth to the idea, there comes the task of piecing it together. There must be a pause and a search for the bon mot and the proper phrase. Then, when it is all down in black and white and looks not nearly so perfect as it seemed, there must be additions and eliminations and a final polishing.

After the editorial appears in print, the writer must be ready to back up his published argument with verbal argument for those people who not only do not agree with it but think it utterly, assinine.

Try writing an editorial some day, and see.

WAR COMES TO PARIS

Flight from the cruel choices of total war has repeatedly proved as futile for Nations as it did for refugees chased by stukas on the roads of France in May, 1940. Or for slaves of the Nazis in Parisian tank and airplane factories when British bombers came over Tuesday night. For according to descriptions of destruction in this raid, war at its worst has come to that Paris which the French thought they had saved by retreat and surrender.

No one with a heart can but be touched by the plight of the French who have been chained to the Nazi war machine, comments the Christian Science Monitor. That the ordeal may speed their country's release is cold comfort. Anyone who knows the British will realize that the choice of bombing their former Allies or allowing them to supply the planes with which British civilians would be bombed was not easy.

Apparently the cost had been counted—or estimated—by the British. For months London has known that thousands of tanks, trucks, and airplane engines were going to the Nazis from the Renault, Salmson, Farman and other great plants in

the Paris suburbs. Apparently the British knew that these arsenals were almost unprotected by the Nazis and could be wrecked by bombers flying so low they could not miss.

The British also knew that even with warnings and the most careful bombing, French factory workers would be killed. They knew that Berlin would exude hypocritical indignation and Vichy, which dare not protest outrages of Nazi enslavement, would cry aloud. They knew that their enemies in America and other Allied countries would echo the Axis cry and even their friends would feel regret.

They trusted the French people would understand this raid as they have accepted British raids on Nazi-occupied French ports. They hoped that Americans would consider what they would do themselves if Japan held Vancouver and were using Canadian factories to produce weapons for an attack on Seattle. The British had held their hand, knowing that the cost was great. But finally they saw the question as one of self-preservation.

To see in time the requirements of self-preservation is the price of survival to-day. Nations which have failed to look ahead and to make the bitter choice in time have gone under. Britain has had some hard lessons. So has the United States. To-day they are more ready to make large sacrifices to save greater disasters. They are determined to make effective war in order to shorten it. They face the fact that until men free themselves from the inhumanities of total war, nations can only choose the least cruel course. But that is a choice so terrible that millions are resolved to build a world in which they will never have to make it again.

NOTE AND COMMENT

English law gives a man the right to open his wife's letters, but does not give him the courage.

The people of North Yonge Street district have every reason to feel gratified at the excellent showing made by the North Yonge Radials last year. The line owned by the people has justified the faith of those who opposed its abandonment back in 1930 and has fulfilled the prediction that it some day would be a profitable asset. With the gas and tire shortage looming on the horizon any community should be thankful to be served by a car line, like the North Yonge Radials. One improvement needed is a car earlier than 6 a.m. every morning from Richmond Hill. This is not early enough to get workers to their jobs in the city at seven o'clock.—Richmond Hill Liberal.

When I quit this mortal shore, and mosey around the earth no more, don't weep, don't sigh, don't sob; I may have struck a better job. Don't go and buy a large bouquet for which you'll find it hard to pay; don't mope around and feel all blue; I may be better off than you. Don't tell the folks I was a saint or any old thing that I ain't; if you have jam like that to spread, please hand it out before I'm dead. If you have roses, bless my soul, just pin one in my button-hole while I'm alive and well to-day. Don't wait until I've gone away.—Exchange.

The best story of the week comes from Alma Peacock, of the Bracebridge Gazette:

I was frantically trying to get caught up on some neglected office work one morning this week when an insistent ringing sent me reaching for the phone. "Hello," boomed a voice. "How's your cold? I hope it's better?" "Thank you," I answered. "How do you know I had a cold?" "Well, you're human, ain't you?" asked the voice, adding "Every human being in this neck-of-the-woods has one, so why shouldn't you? So long, Sister." And with a click the line went dead. Of all the unmitigated nerve of some people.

Here is a list of "must" and "must not" rules for users of gasoline after April 1; as issued by the Department:

An old Highland soldier got into a train travelling to Inverness. Rather unsteadily he sat down opposite a Scotland Army officer. For some time he gazed at the officer's uniform with profound concentration. At last he broke into speech.

"What's yer regiment, man? I canna mak' it out."

To which the Salvation Army officer replied: "I am a soldier of the Lord; I go to Inverness to fight the devil; thence to Aberdeen to fight him again, and then down to Dundee, Edinburgh, and Newcastle."

The soldier struggled to his feet and gave the officer a resounding slap on the back.

"That's right, ma man," he said, "keep on heading the blighter south."

UNUSUAL BANKING IN THESE UNUSUAL TIMES

As Canada's war efforts gain length of stride and speed of step, business in general reflects added activity and increases in volume. As business increases, banking activity also increases. Our service keeps pace with the requirements of our customers, albeit occasionally they may experience slight delays, owing to war-time depletion of our staff. (More than six hundred members of our staff are already in the Empire's forces.)

By experience, increased effort and up-to-date equipment, we endeavour to compensate for reduced numbers, to avoid delay and inconvenience to our customers, and to conduct all banking transactions, however unusual, with everyday efficiency.

YORK SEED FAIR FRIDAY

The sixth annual York County Seed Fair is being held this week in the Orange Hall at Woodbridge on Friday, March 13, with judging commencing at 10.00 D.S.T. to be completed by 1.00 p.m. when the exhibits will be open for inspection. With the Woodbridge Agricultural Society acting as host this year, each of the fair boards in the county will have sponsored the fair, which is conducted by the County Crop Improvement Association of which John Kellam, Nashville, is president, and W. M. Cockburn, Newmarket, secretary.

With a large number of exhibits of high quality seed that this year in the case of oats and barley must be representative of at least 20 bushels at home keener support is anticipated, and judging from last year's auction of the five-bushel lots of registered seed, farmers welcome this opportunity of getting a commercial quantity of this high class seed.

The afternoon meeting commencing at 2.30 will feature an illustrated address by John D. MacLeod, acting director of the Crop Branch, Toronto, who will speak on the much discussed common barberry which causes thousands of dollars of loss to our farmers.

The manager of the Woodbridge Farmers' Company has invited those attending the Seed Fair to visit their power seed cleaning plant during the morning or afternoon. This new plant is one of the most up-to-date in the province.

HOTEL PROPRIETOR DIES IN 65TH YEAR

George Glover Operated Jackson's Point Hotel

Widely known in hotel business circles, George Glover died at his home Tuesday in his 65th year. Born in Ravenshoe, Mr. Glover moved to Jackson's Point 37 years ago, where he established a hotel business. He operated the Kenwood Hotel there, and was a member of the Ontario Hotel Association.

An active member of Sutton Anglican Church, he was a member of Malone Masonic Lodge. He participated in many municipal enterprises and was a strong supporter of improvements in the Lake Simcoe district.

Surviving are his wife, Mrs. Ida Woodcock Glover, and a daughter, Mrs. John Walker, of Jackson's Point.

CELEBRATE WEDDING ANNIVERSARY

Mr. and Mrs. Earl Lehman of Pine Orchard celebrated their 31st wedding anniversary on March 8. The family were all home including Mr. and Mrs. Harry Thompson (Arlene) of Hamilton, Bernice of Bradford, Laura of Newmarket, Mr. Melville Lehman, wife and two children of Hamilton, and the two boys at home, Franklin and Murray.

Other guests were Mrs. Lehman's brother, Mr. Harry Brandon of Hamilton, Mr. Bruce Hope of Peterboro, Driver Harold Sanderson of Newmarket, and Mr. Harry Kruse of Pine Orchard.

BUY CLOVER SEED ON GRADE

The farmers of York County should take a warning from the news of last week's court proceedings at Newmarket where a free lance "seed pedlar" was haled to court by Constable Ronald Watt for selling what could only be called weed screenings as mixed clover and alfalfa seed. When a sample of the seed was analyzed by the Dominion Department of Agriculture it revealed that it contained the following weed seeds per oz.: Bladder campion 64, Night-flowering catchfly 1120, dock 48, field peppergrass 16, black medick 14,656, sweet clover 1840, sheep sorrel 32, green foxtail 16,611. Weed seeds of all kinds.

While the salesman claims to have refunded the money to most of the purchasers, it is reported that two farmers were "prepared to take a chance on it." If this seed is sown at the rate of say 8 lbs. per acre it would mean sowing 8,192 bladder campion seeds per acre alone and a total of 2,277,376 weed seeds of all kinds per acre, and what was supposed to be alfalfa was sweet clover. Perhaps these men will be complaining in a year or so that there is no money in farming, and that the government should do something about it.

Farmers have been warned repeatedly not to take chances on ungraded clover seed and grass seeds in particular because few men are able to recognize the impurities including such bad weeds as bladder campion. It is illegal for this seed to be sold ungraded except for direct sales between farmers, and even here the grading is a protection to both buyer and seller.

The local Agricultural Representative has always advised farmers to take no chances, and anyone wishing to know how the various grades of seeds compare as to purity should apply to W. M. Cockburn, Newmarket, for a copy of the York County Seed Fair prize list which contains this information in a clear and concise form.

Incidentally the chap who sold this seed to one farmer at Schomberg, at least one at Colgan in Simcoe and a number in Peel County apparently posed as a cattle buyer but "happened" to have this seed interfered with in that district, he and his accomplices might be expected to move to a new territory, so Mr. Farmer, be on your guard.

Magistrate J. C. M. German will officiate in the courts over which Magistrate Woodliffe presided. The changes became effective March 1.

THIEVES ENTER

AURORA GARAGE

Gaining entry by sawing through a steel bar on a window at the rear of the building, thieves Tuesday night robbed a large safe of its cash contents, amounting to \$50, at Fred Davis' garage, Yonge street, Aurora.

According to police, the discovery was made by Ellwood Davis, son of the proprietor, who, after opening the garage to start business for the day, found that the hinges of the safe had been sawed off, and its contents of cash missing. Other business documents were unnoticed by the thieves.

Chief Fisher Dunham and Constable Aubrey Fleury, who are investigating, expressed opinion that the thieves were obviously after cash owing to the fact that none of the auto accessories and other garage stock was missing.

YORK HOLSTEIN BREEDERS' BANQUET

The directors of the York County Holstein Club are completing arrangements for their annual banquet which will be held in the Orange Hall at Woodbridge on Wednesday, March 18 at 7.30 D.S.T.

The guest speaker will be Dr. G. E. Reaman of the Ontario Agricultural College who has an humorous address entitled "What Makes Us Seem So Queer?" So here's our chance to find out. Dr. Reaman is a native of Vaughan township.

The programme will be rounded out with a variety of entertainment in keeping with the usual good time staged at this gathering. President Archie Cameron, of Woodbridge, and secretary E. F. Ramsay of Sharon are working hard to make this the best yet.

Whether We Like It or Not

By Golden Glow

Even as short a time ago as two years things that we are doing without now (and getting along without very well, too, thank you), we would have vowed we simply couldn't manage without—and I don't doubt there are many more things yet we must forego before life becomes normal again. If it ever does! We, here in Canada—or I'd better say in Ontario—scarcely realize from what we have had to give up that we are really and truly at war. Of course, our turn may come sooner than any of us expect. The sight of "blackout paper" in a shop window down town certainly reminds one that anyway we, like our fellow Canadians on either coast, may be called on for a total blackout, and it behooves us to be ready. "Be Prepared," to use the motto of the Boy Scouts, is a pretty good one for all of us. I had a friend here visiting the other week and she said, "Are you ready for the blackout?" And I had to admit that apart from arrangements made to "camp" down in the furnace room, I had made only casual arrangements. I have a burp curtain over the one window in the furnace room. I have a shaded lamp, a coal oil lamp, and wax candles should the electric power fail. I have an "emergency shelf" in the basement with canned goods to tide us over. I have a first aid kit which we used to always carry in the car in case of emergency, and I have several dark curtains, but I haven't tried to fit them to the windows, or really decided which windows and which room, but I think Mrs. Roosevelt's suggestion that we make that room the kitchen, and concentrate on that, was good.

Yes, whether we like it or not, we are likely to have to undergo our share of all this—just like I said the other week, quoting a chapter and verse of the Bible, Numbers 32, verse 4, "Shall your brethren go to war, and shall ye sit here?" We can find ways and means of helping without looking very far.

And again, whether we like it or not, we are going to find ourselves having to either stay at home or use our "shank's galloway," as our ancestors used to call our feet, to get to places—apart from train or bus travel, I mean. Plenty of us can look back to the days when we used to walk

WOMEN'S SEWING GROUP OF FRIENDS CHURCH SEND ARTICLES TO REFUGEES

Newmarket Friends Women's Sewing Group, working for refugees and bomb victims, on Thursday packed boxes containing 190 articles of new and used clothing to be sent to Toronto for shipping with other goods to the London Relief Committee Friends House. The shipment included 4 large quilts and 2 small quilts; 1 Afghan, 2 woollen quilts for babies; 9 boys' and girls' sweaters; 24 pair of children's stockings; 14 scarves; 7 pair men's socks. The knitted articles were made from wool supplied by Central Committee, Toronto. Also 9 girls' dresses, 14 skirts; 6 children's dresses; 9 girls' skirts; 10 overcoats, and many articles of underclothing.

This is the second consignment made in 1942. During the past twelve months, 21 cases of clothing have been shipped from Toronto to Friends in England, and all have arrived safely to date.

WOMAN'S ASSOCIATION OF TRINITY UNITED HAVE INTERESTING MEETING

The meeting of the Woman's Association of Trinity United Church was held on Thursday with the president, Mrs. W. Brooks, in the chair.

The meeting opened by singing the Theme Song, "Our High Calling" was the subject of our Devotional Period, and was in charge of Mrs. P. Tod. The leader read the last chapter of 2nd Peter. Prayer was offered by Mrs. M. B. Seldon. An excellent report was given by the treasurer, Mrs. H. Hooker.

Mrs. R. Meads and Mrs. A. Winn gave an account of the Home Centre at Petawawa for the soldiers and airmen to be built and furnished by the National W.C.T.U., under the patronage of the Earl of Athlone. The motto is "Per Ardua Ad Astra" (Through Toil to the Stars.) The Newmarket W.C.T.U. has contributed towards this Home Centre. The Soldiers' Airmen's Christian Association has nine Home Centres in Canada: Halifax, Camp Borden, Vancouver, London, Calgary, Victoria and Nanaimo, etc., where Christian work is carried on every day of the year. The Provincial W.C.T.U. sent a Mobile Canteen to England and the Newmarket W.C.T.U. contributed towards this project.

INVESTIGATION OPENED OF OVER-SPENDING

York County Committee to Declare Findings

Meeting in closed session Saturday morning, the investigating committee of York County Council, inquiring into the \$12,000 over-expenditure in the Toronto and York Roads Commission budget during the year 1941, commenced its deliberations.

Chairman of the committee is Reeve F. G. Gardiner, of Forest Hill, and other members are W. A. Armstrong, F. J. MacRae, Fred Lundy, W. I. Hearst, Elmer Brandon, Charles Hooper, Thomas McMurphy and Ross McMillan.

"Results of the committee's deliberations will not be made known until the report is published and presented at the June session of York County Council," Chairman Gardiner declared. "It was felt by the committee that no good purpose would be achieved by releasing the committee's deliberations until some definite conclusion had been arrived at."

After completing the investigation into the commission's over-expenditure, the committee will continue with the consideration of re-allocating county roads, suburban roads and roads which should be turned over to the Provincial Highways Department.

FALSE ALARM

Some person or persons with a curious sense of humor, had the local fire brigade answer a false alarm call to the corner of Timothy Street and Lorne Ave. during a heavy rainfall Sunday evening at 11 o'clock. Many of the brigade were on hand, and while it is no fun for a volunteer to have to turn out to a fire on a night like Sunday, it is aggravating to be made a clown of.

ANNUAL MEETING OF YORK FEDERATION OF AGRICULTURE

The second annual meeting of the York County Federation of Agriculture will be held in the Masonic Hall, Richmond Hill, on Monday next, March 16 at 1.45 D.S.T. for the purpose of receiving reports and election of directors and officers.

During the afternoon H. H. Hannam will give a report of the accomplishments of the Canadian Federation during the past year under his presidency. Mr. Hannam is foregoing the directors' meeting of the Ontario Federation to be at the York County meeting and we are sure the farmers of York will show their appreciation with a full hall.

It had been hoped Mr. Walter E. Haskins, the Canadian secretary, would also be in attendance, but business matters at Ottawa requiring his immediate attention will prevent him from coming. As all farmers of the county are affiliated with the federation, all are welcome at the meeting.

BACON FOR BRITAIN

IN A HUSTLE

Here's somewhat of a record Sid Legge of Connaught Gardens thinks will take some beating. A sow owned by him has had 45 pigs in less than a year, and has raised 44 of the porkers. Can our farmer friends beat this?

Misses—Oh, I forgot to ask you if you had any religious views.

New Maid—No, ma'am, I haven't but I have some dandy snapshots of Niagara Falls and the Great Lakes.

BROTHER OF NEWMARKET MAN, HENRY COUSINS, DEAD

Funeral was held Tuesday of the late Henry Cousins, 84, former member of Council and of the Public Utilities Commission, who died at his home here, 36 Main Street North, Weston, on Sunday night. Interment was made in Riverside Cemetery.

Mr. Cousins was the first motor car dealer in Weston, opening an agency there in 1913. He served seventeen years in council after his first election in 1905, and served thirteen years on the P.U.C. He was president of the lacrosse club and was an enthusiastic supporter of it for many years. He was an active member of Central United Church during his forty-four years residence there. He came to Weston from Emery, Ont., and was active in business until his retirement ten years ago.

Mr. Cousins is survived by one son, Harry O., of Campbellford; one daughter, Mrs. W. J. Farley, Weston; two brothers, Fred of Aurora, and Joseph of Newmarket; and one sister, Mrs. George Main prize, Toronto.

NEWMARKET WOMEN'S INSTITUTE

The March meeting of the Newmarket Women's Institute will be held at the home of Mrs. W. E. Lyons, 63 Botsford Street, on Thursday, March 19, at 2.30 p.m. Guest speaker will be Mrs. Tanner, president of the women's section of the League of Nations.

ST. PAUL'S CHURCH

Last Sunday morning Rev. R. K. Perdue, B.A., of Trinity Church, Aurora, exchanged pulpits with Rev. G. H. Johnson, M.A., of St. Paul's. Mr. Perdue gave an exceedingly interesting address, based on Ephesians 6:11, "Put on the whole armour of God."

The Ladies Aid held their monthly meeting on Monday of this week at the rectory.

At the Lenten services the rector is making a study of the history and use of the Holy Communion, and on Sunday evenings he bases his sermons on the story of The Prodigal Son. The evening congregation has increased considerably lately.

This afternoon the W.A. is holding their regular monthly devotional and business meeting. The members are greatly pleased at the appreciation shown by the overseas members of the church and those in Canada for the Christmas parcels. They have received answers from practically every one, either by a personal letter or a message of thanks through their people.

HOMEMADE PORK AND BEANS WILL SOON BE REALITY

J. C. Taggart, foods administrator, Wartime Prices and Trade Board, had good news for vegetable growers this week when he announced growers will receive increased prices for their 1942 crops of tomatoes, peas, corn, green and waxed beans.

A board order calls for the following increases over 1941 prices: tomatoes, \$1.00 per ton; peas, \$7.50 per ton on the shelled basis, or \$1.50 per ton straw weight; corn, \$2.00 per ton; green and waxed beans, on the average, an increase of \$5.00 per ton.

The 'price increase gives encouragement to growers of those vegetables which are staples for canning. It is recognized, moreover, that in most district growers' costs will be higher this year, due

Many people who really know that the eyes of their children are not up to par put off eye examination for one reason or another. This is a very unwise thing to do. We will tell you what your children's eyes require, or if we find they are all right, that knowledge will add a great deal to your peace of mind.

Children who require glasses should have the benefit of the very newest scientific development—**CORECTAL LENSES**. They give clear, undistorted vision over the entire surface of the lens so that there is accurate vision even at the very edge.

RECEPTION HELD AT MEAFORD FOR MR. AND MRS. LAWRENCE WRIGHT

Several Newmarket citizens were guests at an interesting social function in Meaford on Saturday evening last when a reception was held in honor of Mr. and Mrs. Lawrence Wright (nee Arlie Londry) who had been quietly married earlier in the week. The hosts were Mr. and Mrs. Corle R. Londry, parents of the bride.

Among those present from Newmarket in addition to the bride couple were Mrs. E. N. Penrose, grandmother of the bride; Mr. and Mrs. Arthur Sheridan (nee Alice Londry) and little son, Ray; Miss Dora Londry, Mr. Don Wright and Quartermaster Sergeant Waldrum of the training centre.

The Londry family was the first to settle in Collingwood township five generations ago, and are highly respected. Mrs. E. N. Penrose had the unique honor on Saturday evening of being one of four generations seated at the head table, with her daughter, Mrs. C. R. Londry, granddaughters four, grandson and great grandson.

Mr. Wm. Hammond of Collingwood township proposed the health to the newlyweds, responded to by the groom; and Councillor D. A. Cook of St. Vincent township proposed the health of the hosts, which was responded to by Mr. Londry.

Toastmaster for the occasion was A. S. Thurston of Meaford, secretary-manager of the Ontario Creamery Association, and friend of the family.

Following the wedding dinner, a social time was spent by the guests numbering about 75.

Weddings

AMY MAY CALDWELL WEDS WILLIAM JOHN BROOKS

A pretty wedding on Saturday at the home of the bride on Grace street, was of Amy May Caldwell, daughter of Mrs. Caldwell and the late T. F. Caldwell, to William John Brooks of Alliston, son of Mrs. Brooks and the late J. C. Brooks of Roblin, Man.

The ceremony in the living-room tastefully decorated with ferns and spring flowers, was performed by the Rev. A. M. Partridge of Beaverton, a cousin of the bride. Mrs. W. A. Marshall of Toronto sang "All Joy Be Thine." Mrs. A. E. Caldwell of Elmira played the wedding music.

The bride, given in marriage by her brother, W. H. Caldwell of Toronto, wore a gown having bodice of white taffeta with skirt of point d'esprit over taffeta, an oval neckline and bracelet sleeves. Her full-length veil was held with a halo of seed pearls, and she carried a shower of white roses.

Matron of honor was Mrs. Grant Caldwell, the bride's sister-in-law, wearing blue net over taffeta, with blue shoulder veil. Her bouquet was yellow roses. Grant Caldwell of Newmarket, brother of the bride, was best man. The ring-bearer was Master Garry Caldwell of Barrie, nephew of the bride.

The bride's mother received in a handsome dress of wisteria lace, with a corsage of yellow roses. The mother of the groom wore black silk crepe, with bolero, having gold sequin trim. Her corsage was red roses.

Among the out-of-town guests were nine brothers of the bride with their wives.

On the wedding trip to the east the bride travelled in a rose dress, with coat, hat and accessories of navy. The couple will reside in Alliston.

WRIGHT—LONDY

Miss Arlie Luella Londry, daughter of Mr. and Mrs. C. R. Londry of Sunnyside Farm, Thornbury, became the bride of Lawrence Forster Wright, only son of Mr. and Mrs. William Wright of Newmarket on Wednesday, March 4, at 3 o'clock at the home of Miss Marjorie Goring, Newmarket, cousin of the groom.

Rev. Arthur Greer of the Christian Congregational Church officiated. Given in marriage by Q.M.S. Alex. Waldrum, the bride wore a very graceful gown of Arctic blue silk taffeta, and matching turban and a corsage of American Beauty roses.

Mrs. A. Ransom, the bride's only attendant, was frocked in navy and white sheer, and wore a corsage of Honahan Hill roses. The groom was attended by Mr. A. Ransom of Lansing.

Later the bride and groom left for Toronto and visited the bride's parents at Thornbury. For travelling the bride wore a two-piece old rose crepe frock with black accessories. The couple will reside in Newmarket.

HELEN PHIMISTER WEDS PHILIP NEWMAN

A quiet wedding was solemnized amid a setting of many pretty bouquets of spring flowers on Saturday, Mar. 7, at the home of the bride, when Helen Susan, eldest daughter of Mrs. Jas. Phimister of Newmarket, and the late Rev. James Phimister became the bride of Philip Pakenham Newman, only son of Rev. and Mrs. Newman, Craighurst. Rev. William Newman, father of the groom, performed the ceremony.

Given in marriage by her brother, Z. S. Phimister, the bride wore ashes of roses chiffon, with pink roses and white and yellow cornflowers.

For travelling the bride donned a Harris Tweed suit and silver fox fur with corsage and accessories to match. On their return they will reside in Toronto.

MRS. WALTER HIRST LAID TO REST

The funeral service Wednesday afternoon last at the funeral chapel of Roadhouse and Rose, for Mrs. Walter Hirst who died at her home, Wynhurst Gardens, Keswick, on Monday, March 2, was largely attended by sorrowing relatives and friends. The service was conducted by Rev. R. W. Serriek and Rev. Gordon Lapp. Pallbearers were Messrs. Freeman Pollock, Wilbert Pollard, Percy Mahoney, John Smith of Keswick; Cecil Prosser, Belhaven, and Fergus Taylor of town. Interment took place at Newmarket Cemetery.

Mrs. Hirst, whose maiden name was Agnes May Shaw, was in her 58th year, was the daughter of George and Lydia Shaw of North Gwillimbury, and was one of a family of nine. In 1908 she married Walter Hirst, well known realtor of Lake Simcoe. She had been in ill health for a year.

Surviving are her husband, three brothers and three sisters, Gilbert, Queensville; Glen, Newtonbrook; Albert, Toronto; Mrs. Milton Mainprize (Eliza) Mount Albert; Mrs. David Bryson (Ina) Kalarad, and Mrs. Elton Haigh (Ida) of Keswick.

IN MEMORIAM

GIBNEY—In loving memory of our dear mother, Elizabeth McKrill Gibney, who died in 1915. The day of March 11th for us The saddest of the year, Her memory is as dear to-day, As in the hour she passed away.

She suffered much, she murmured not, We watched her day by day, We cried and prayed that her dear life Would not be taken away.

The depths of sorrow we cannot tell, Of the loss of one we loved so well, While she sleeps in peaceful sleep, Her memory we shall always keep. Ever remembered by her family,

SPECIAL COUNCIL
SESSION CALLED
OVER TAXIS

(Continued from Page 1, Col. 1)
"It is one of the hardest things to do to get this insurance through," said Mr. Allen, who was present representing Graves and Allen. "We have had two small claims amounting to \$24, and it is pretty tough to get any more insurance. If we can get it, I am quite willing to put it on."

"What do you think about it, Chief?" asked Mayor Dales.
"\$5,000 and \$10,000 is enough as far as I am concerned," answered Chief Sloss.

"I have had a long experience in this business," stated Reeve Lundy.

"Maybe you have had too much experience," interrupted Mayor Dales.

"\$5,000 and \$10,000 policies have proven to be inadequate," continued the Reeve. "One of our duties is to protect the people of the town. The Chief himself carries \$5,000 and \$20,000. I think you should reconsider this matter. It is no hardship for the taxi drivers."

Ald. Spillette stated that operating a car in and around Newmarket was not to be compared with driving in the city of Toronto. It is not nearly so hazardous here.

It was moved by Deputy-Reeve Vale, and seconded by Ald. Evans that the amount of insurance should be \$10,000 and \$20,000. This motion was carried with Messrs. Lundy, Vale, Evans and Bowser voting in favor of it, and Mayor Dales, Aldermen Spillette and Higginson opposed.

"I think we're the toughest town in North America," remarked Ald. Spillette.

Ald. Armstrong, as solicitor of Graves and Allen, asked if this company could carry on business for a month or so with the insurance they are now carrying, until such time as they would be able to increase it.

Deputy Vale was opposed to this. He believed an accident might happen in the meantime and thought the insurance should begin immediately.

"Don't you want people to make a living?" asked Ald. Spillette.

"Supposing they hit someone?" inquired the Deputy-Reeve.

"I think it is the worst schoolboy trick I ever heard of," replied Ald. Spillette.

Clerk Mathews suggested that they carry on until the first of April with the insurance they now have.

A motion to this effect moved by Ald. Armstrong, and seconded by Ald. Spillette was passed, with Deputy-Reeve Vale and Reeve Lundy opposed.

A motion was then passed that all applications for taxi licenses be granted provided all applications confirm with the by-law.

"A humiliating case came up this week when we received a protest from Connaught Gardens," said Mayor Dales. "We haven't anything in our traffic by-law to prohibit people from parking on the sidewalks or anything else. I'm just about fed up with getting the police to straighten these things out, and nothing to back him up."

"I propose that we get this matter cleaned up," agreed Ald. Higginson. "It is an absolute disgrace. You can't even walk on the sidewalks up there, and have to take to the muddy roads. I have spoken to the military authorities and they want us to amend our by-law."

Chief Sloss stated that there was room for a parking lot up there.

If this was made into a parking lot, councillors agreed that Herb. Barnett, who had asked for this lot, be allowed to look after it.

Clerk Mathews was instructed to draw up a by-law and present it at next Monday's meeting. Chief Sloss has studied the matter and his recommendations will be handed in to the clerk.

"What about Main Street?" asked Mayor Dales.

"With regard to double parking on Main Street, the gas rationing may solve the answer for that," replied Deputy-Reeve Vale.

"What about the trucks where they can deliver behind the stores?" asked the Mayor.

"I like the idea of back-door parking," said Chief Sloss.

"Why not try to clear Cedar Street?"

Chief Sloss replied that there were few cars parked on this street, but he would arrange to have them removed.

"As you know, Camp Borden sent a convoy of mechanized vehicles through here on Monday and they let off some bombs," said Clerk Mathews. "The concussion from the explosion of one of the bombs broke a window in the clerk's office. They apologized about it. Instead of letting this off in the centre of Main Street, they made a mistake and let it off while going around a corner. The window costs \$2.50. They are willing to pay for it, so what does the council wish to do about it?"

The councillors agreed to forget about the matter and pay for it.

"I don't think we should let anyone else come in and let off bombs," said Ald. Bowser.

"They let us know about it a week ago, and I was confident that things would be under control," stated Mayor Dales. "Mistakes are liable to happen."

"They told us that they wanted to give the troops the noise so they would be accustomed to it before going overseas," said Clerk

QUEENSVILLE

The euchre club ladies are holding a euchre on Friday, March 27, when a draw for a quilt will be made. Further particulars will be given later.

Big Red Cross Euchre Tonight

Tonight (Friday) is the night of the big Red Cross euchre at the Queensville school-house. Play will begin sharp at 8.30 p.m. D.S.T. so be sure and be on hand. The committee is counting on 35 tables, so you come and help make it a real success. There will be a number of prizes, and by the way, the best players won't take home all the prizes. Everyone will have a chance. There will be plenty of eats for all. There will be heaps of fun for everyone. All in all the plans make way for a successful party. All we need now is the crowd. That depends on you and you and you. Tell your friends better still, bring them. The Queensville ladies are asked to bring lunch. The date is Friday, the 13th. Say pooh pooh to superstition, come and have a good time at Queensville.

Have You a Spare Quilt Top?

The ladies are hard at work these days making quilts upon quilts for the Red Cross. Naturally the quilt patches are running low. Several kind friends have donated whole quilt tops. The ladies would be glad to receive yours if you have one. Thanks!

W.A. Meets

The W.A. had a very successful meeting last Thursday. Several quilts were quilted for the Red Cross. The usual tea supper was served with Mrs. S. Sennett, Mrs. R. Huntley and Mrs. Wm. Hall as hostesses.

The Life of Joseph

A special church service was held at the United Church last Sunday morning when a splendid set of slides were shown on "The Life of Joseph." Rev. Shannon gave a talk on slides.

"Can You Raise \$3?"

A plan has been thought up by the Red Cross to make money and at the same time divide the planning and work among everyone interested. All who find it at all possible are asked to raise \$3. This can be made by anyway you find best. A few suggestions include house parties, charging 12 people 25c. How about serving your friends a dinner. Get your husband to give you a couple of fowl and then resell them. These are only a few suggestions. Perhaps YOU can think up something original. Kill two birds with one stone, entertain some of your friends and at the same time you will be helping the Red Cross.

Persons

Mr. and Mrs. Arthur Watson of Toronto spent last weekend at the Watson home.

Quite a number from here are following the Sutton hockey team this season and have attended some real good games.

Mr. and Mrs. H. Miles of Toronto, and Mrs. Clayton of Chester-ville spent last Sunday with J. L. Smith's.

Mr. and Mrs. Elmer Stickwood are spending this week visiting in Madoc.

Mr. Eugene Flanagan is confined to his bed this week suffering from the flu.

Quite a number of the young people from here are planning to attend the Presbytery Play Party in the Aurora United Church on Friday evening, March 20. All the young people's unions in the presbytery are invited. The party will be led by Miss Nellie Lewis who is well-known for her excellent leadership in games, having compiled the top selling book of games "FUN AND PARTIES." A real evening is promised. All are expected to take lunch. An offering will be taken to cover the expenses. Plan to attend.

first overtime session saw the officersmen tie it up with just bare seconds remaining.

The teams checked each other into exhaustion and only the breaks paved the goalward trail.

Bob Peters, Tannery netman, was game enough to continue after an eye injury in the second period, and was well protected with a strong defense in Joe Peat and Bomer Groves.

Rae and Hughes scored two apiece with Neufeldt getting a single too for the Specialty.

While McGinnis led the Tanners with two, Broughton and Walt. Groves collected one apiece.

Teams: Tannery—Goal, Peters; defense, Peat and B. Groves; centre, Broughton; wings, McGinnis and Gunn; alternates, McCabe, Harman, W. Groves, Alderson, Bruce Townsley, Bob Townsley and Bill Townsley.

Specialty—Goal, Gardiner; defense, Woodcock and Bub Preston; centre, Boyd; wings, O'Halloran and H. Preston; alternates, Neufeldt, Rae, Hughes, Yates and Benville.

Stan. Smith refereed the match.

SOLDIERS SEE PICTURES ON COMMUNICATION

(Continued from page 1 col. 2)

The illustrated lecture begins before the invention of the telegraph and telephone, when communication depended upon transportation. Messages had to be carried by man, beast, boat or train. Now, in war and in peace, the telephone is the indispensable means of rapid, easy, oral communication.

The use of the telephone by the armed forces was described, from the experiments conducted at the military camp at Aldershot, England, by Alexander Graham Bell in 1877 to the present day. The telephone industry helped to win the first great war by invaluable research which resulted in the invention and perfection of many instruments for the use of the army, navy, and air force. In 1941, at home and abroad, Canadian telephone industry are again serving in the front line.

The demonstration equipment included a public address system, various types of early telephone equipment, field telephone sets used by the Canadian Expeditionary Force and the Germans during the Great War, coal and carbon, quartz crystal production of piezo electricity, photographs of air safety devices developed in the telephone laboratories and of telegraphers and telephotograph machines.

SUTTON WIN WEIRD CONTEST OVER MIDLAND

(Continued from page 1 col. 7)

period with the visitors completely baffling the group-winning green-shirts. Five goals in a row, with out a reply from his teammates were popped in behind "Ginger" Hall, and it looked as if Jack Culverwell and company would take an artistic shellacking. The home-sters were completely disorganized, and when the announcer between periods stated that a third game would be played at Sutton Monday night if necessary, it very much looked the question mark.

Midland laid back on the defense at the start of the final 20, and for the first six minutes it looked as if they were going to hold their top-sided margin. However the Sutton squad had other ideas, and the heat was applied when Benny Harris scored a goal.

In less than a minute the red light flashed again for goal number three. In short order another goal was blazed in, but referee Ken Holmshaw called back the play as Big Pringle and a Midland player had been enjoying a private feud along the boards and were sent to cool out. With five men a side Sutton again carried the play securing their fourth and fifth markers. With a minute and a half to go Harvey Gibney tied up the game to force overtime. Seven minutes through this session, Benny Harris wearing his Camp Borden sweater, got the winning goal on a sizzling shot from the left boards just inside the blue line. It was a great game to win.

While all the boys are deserving of three-star rating, we couldn't overlook the way Bill Roberts and Harry Culverwell swept back in the dying minutes of the game to stop sure goals on Midland's break-away, or the way Bill dislodged the net.

Tonight Sutton journey to Midland with the third game, if necessary, in Sutton Monday night.

WEED SEED SELLER MAKES RESTITUTION

Isaac Williamson of Toronto, who appeared at court last week on a charge of fraud in connection with selling weed seeds to the farmers, was given suspended sentence this week by Magistrate J. C. M. German and placed on probation for six months on payment of \$16.25 court costs after he had produced receipts showing that he had made restitution to the different farmers.

Donald Chapple of Toronto, charged by Constable A. Ferguson with having no operator's license and speeding, was fined \$10 and costs on the first charge, and \$5 and costs on the second charge.

Charles Ecclestone of Bracebridge charged by Constable Ferguson with speeding, was fined \$5 and costs.

William Turpin of Stouffville, charged by Constable Fleury with having no operator's license, was fined \$10 and costs. A second charge of having no license plates was dismissed.

2,000 MEN AND A GIRL

Songstress Frances Cramer, blonde and petite, is one of the chief reasons why twenty hundred young airmen file into the big concert hall at Exhibition Park every week to attend the CBC broadcast at Manning Depot. The programme features the music of Russ Gerow's orchestra, the comedy sketches of Woodhouse and Hawkins, and songs by Frances. The show will be heard next, coast to coast, on Friday, March 27th, at 8.00 p.m., E.D.T.

WINS FIRST PRIZE FOR LOAN POSTER

Hockey Final Thriller

The hockey final, which was won 5-4 in overtime by Ken Groves' team, was possibly the most keenly contested affair since the start of these school groups. Going into the last period Bev Rowntree's club was three goals down. Finally Rowntree notched a goal to make it 3-1. Then the Greys came back and sunk their fourth counter. With things looking almost hopeless, Rowntree went on the rampage and tied the score on three beautiful solo efforts, scoring the tying counter with but seconds to go. After some eight minutes of overtime, George Peterson of the Greys, got a break-away and banged the puck past Bill Denne after the goalie had saved the shot.

There is the making of a smart juvenile club in Newmarket from the boys of this school league, both goalies Denne and Pirih being real material, while Bev Rowntree, Ken Groves, George Peterson, Ken Thoms, Teddy Greenwood, Ivan Gibson and others showed real promise. Bob Peters handled the game.

1st Team—K. Groves (Capt.), G. Peterson, G. Irwin, G. Hill, H. Wrightman, K. Thoms, I. Gibson, R. Firth, S. Waterhouse, B. White, B. McCannan, N. Skead and G. Blake.

2nd Team—Bev Rowntree, (Capt.), B. Denne, D. Cribar, C. Adams, K. Mosley, E. Monkman, J. Rutledge, T. Greenwood, J. Duf-

on and J. Lundy.

SHARON

The Sharon unit of the Red Cross is holding a progressive euchre in the township hall Tuesday evening, March 24, playing to commence at 8 p.m. sharp. Good prizes.

The motion pictures shown in the hall Tuesday evening last on Red Cross activities on the home front, also during the blitz over England last year, were particularly good. The talk by Major Watson, who was in charge, was most interesting and instructive. A real treat was given those in attendance. The musical numbers were splendid as well.

After a lesson on gods and goddesses of olden days, the schoolmaster began asking a few questions.

"Now, who was Bacchus?" Answer there was none! So he tried again.

"Come, come. Mars was the god of war, Venus was the goddess of love, Bacchus was the god of—"

He paused invitingly. "Bookmakers?" suggested one bright lad.

Little Girl: "I know something I won't tell."

Bachelor: "Never mind, child. You'll get over that when you're a little older."

VANDORF

The Women's Institute will meet at the home of Mrs. Wilbur Graham Wednesday afternoon at 3 o'clock D.S.T. Roll call, an Irish joke. Topic, "Preservation of Our Wild Flowers." Contest, a quilt block. Don't forget donations for the boys' boxes. Hostesses, Mrs. Fred Avis and Mrs. F. Allen.

Miss Florence King spent the weekend with her grandparents, Mr. and Mrs. Switzer.

Mr. and Mrs. J. Petch attended the funeral of Mr. Petch's aunt, Mrs. Knight of Sharon. She was buried at Newmarket.

Mr. and Mrs. Wm. Turner and children spent the weekend with Mrs. R. Willis and Edward.

WILLOW BEACH

Sunday school was well attended last Sunday. A number of adults were out as well as the children. Rev. P. Powell very kindly donated 12 books to the library.

Mrs. Richard Turner, Regina, Sask., is visiting among relatives at Willow Beach.

Mrs. Mies Segore entertained the Boys' Comfort Club at the Wednesday meeting. A quilt top was cut and pieced, also knitting by members, two overseas boxes being packed, one to Sergt. Wm. Thompson, the other to Pte. Bert Crittenden.

People

The committee on agriculture of the Pine Orchard Women's Institute wish to draw the attention of the members to the change of date and location for the March meeting. It will be held on Saturday, March 21, at Bogartown school-house. The programme will be that found in your sheet and the lunch will be provided by the committee, under Mrs. Needler, convenor. The roll call requires the members to tell an Irish story or sing an Irish song.

Three quilts were completed at the Willing Workers' March meeting Wednesday of last week at the home of Mrs. L. Harper. Twenty-seven members were present and work started in the morning and continued till tea time with only an hour off for the pot-luck dinner which was enjoyed for three reasons: the social atmosphere, the relaxation of tired muscles and eyes, and last but not least, the good food which is always acceptable, especially among pleasant surroundings and people, although one sometimes feels guilty at our plenty in comparison to the hunger in many nations—that often takes away appetite. A short story of an experiment in Christian living was read by Mrs. Colville. In the afternoon, and a prayer by Mrs. Willis and the singing of God Save the King brought the afternoon to a close, except for a few devoted souls who stayed to bind the quilts. An interesting letter was read during the afternoon by Mrs. Needler, whose sister had written of the receipt of a quilt sent by our members. Mrs. Needler's sister was herself a bomb victim and could write feelingly of the needs of those so afflicted.

On Wednesday evening the Bogartown Community Club met at the school-house. The program included two readings by Mrs. Frank Hope of Newmarket, which were much appreciated; selections by the Johnson orchestra; the Club paper by Mrs. Frank Williams and a Quiz program, the answering or defaulting whose questions were rewarded by prizes and surprises—prizes of candy for those who answered correctly; surprises for those failing to answer correctly. One lady, much to her surprise received a needle without an eye, a spool with about a quarter of a yard of thread and a thimble without a top.

In honor of her sister, Miss Irma Taylor of Toronto, Mrs. Earl Toole and Warden Toole entertained at dinner on Sunday, the following guests: Mr. and Mrs. Stuart Taylor, Mr. and Mrs. Wesley Taylor and little son, Mr. J. C. Taylor, all of Cedar Brae, and Mr. and Mrs. Barker of Zephyr.

Mrs. John McClure and Mrs. Douglas McClure were supper guests of Mrs. Gordon McClure on Saturday evening.

Mr. Alvin Ridley spent the week end at Galt where Mrs. Ridley has been spending some time with her daughter, Mrs. Green.

We are sorry to report Miss McQueen on the sick list, suffering from an attack of flu.

Mr. E. Madill of Petch's Corners Mr. Robert Campbell of Toronto and Sergt. George Lehman, Espanola, dined on Sunday with Mrs. Gordon McClure. Miss Dora McClure of Toronto was home from Toronto for the weekend.

Aircraftman Kenneth Wagg spent Friday at the home of Mr. J. Stickwood.

Master Murray McClure took tea on Sunday evening with Mr. and Mrs. George Hunt.

The Pine Orchard Community Club met last Thursday evening at the home of Mr. and Mrs. James Hope. The program was given by the visitors, Wesley Church Young People, and was an excellent one, consisting of piano solos, duets, quartettes and readings. A splendid paper was given by Mr. Whiteley, on Winston Churchill, and the social hour with its refreshments and friendly talk was enjoyed by all those present.

The community celebrates the departure of Mr. and Mrs. Ted Breen who are taking up residence at Ravenshoe shortly.

Things

"March"

March is like a lion. Roaring for its prey, Breaking backs of sturdy trees, Chasing snow away.

March is like a gentle lamb, Gaily gambolling round, Playing with the fleecy clouds, Sweeping up the ground.

March is like an Opera Star, Very temperamental; Luring crows and robins back With her whispers gentle.

March is like a blitzkrieg mad, Smashing o'er the land, Spreading timid little streams into rivers grand.

March is just a motley Bits of this and that— But we're glad to see her, There's no doubt of that.

For in all her varied moods, Bits of spring we sense— So in spite of slaps and bangs, March gives recompense!

KESWICK

The Christian Church Ladies' Aid monthly tea will be held on March 18.

Rev. and Mrs. Serrick and baby daughter have been at their home here for the past week. They have spent the summer at Mrs. Serrick's parents' home in Ringwood. They are making preparations to move into Keswick this month.

Mr. Russell Stork has returned after a week's visit at his mother's in Pickering.

Mr. Wm. Purdy and Mrs. Purdy, Sr., also Mr. and Mrs. Orville King attended the funeral of the late Mrs. Howard Morton at Sutton Presbyterian church on Friday, March 6. Mrs. Morton was well-known in North Gwillimbury, having lived many years of her early married life in Belhaven, later her home has been in Toronto. Her cheery, friendly manner and her musical talent made her a friend who will long be remembered by those who were privileged to call her their friend. She leaves her husband, a daughter Marion, one son in Los Angeles and one in Toronto, to mourn her loss. Interment was at Sutton, her former home.

We are having a taste of real March weather. Sunday night heavy rains, Monday gales and snow, Tuesday colder with some snow but clearing. (The weather news is for the boys overseas) to whom we send "Greetings" and "Good Luck to All."

Mrs. Wm. Davison gives us the following prize winners at their euchre on Thursday night, March 5. Mrs. I. Waldon, first; Mrs. Tommy Miller, second; Mrs. Grief consolation. The men, J. Grant, first; Floyd Cunningham, second; Bobbie Johnston, consolation.

Mrs. Frank Perry has returned after spending a few days in Toronto.

Mrs. W. Rigler and Miss E. Gilroy who have been on the sick list are able to be around again.

A very large number attended the supper at the United church on Thursday, March 5, given by the Women's Association. Many of the visitors were from a distance. A great many favorable comments were made about the kitchen which had been recently tastefully and warmly finished and made the serving of the large supper comparatively easy. The tables in the church Sunday school room were prettily trimmed with green in honor of St. Patrick, and with small flags. The hot supper featuring stew and biscuits, served under the direction of Mrs. Davison and her committee, was very delicious. Mrs. Perry Winch entertained the children until the concert began, and Mrs. William Vail headed the reception committee.

Rev. Mr. Lapp acted as chairman in his usual very fine and witty manner. Mr. and Mrs. Sheppard, with Mr. and Mrs. Durance of Toronto who spend their summer at Indianola Beach, graciously came from Toronto to assist with the program. Mr. Sheppard played the piano to lead the singing of popular and patriotic songs by the audience. Afterward Mr. Sheppard sang several very fine vocal selections. Both Mrs. Farrow and Mrs. Bridges gave very lovely solos. Beth King and Doris Pollock sang very sweetly accompanied by Evelyn King. One of their selections was "The White Cliffs of Dover." Mrs. Ernest Morton sang a patriotic number in a rousing manner. Miss Jean Cunningham of Queensville rendered an oratorical address on "Alcohol in Relation to Modern Warfare," in a very fine and thoughtful manner. This address had been given at the County Temperance Convention held at Newmarket recently. Murray Huntley, who had sung before during the concert, accompanied by Mrs. Bridges, ended the concert in a very appropriate manner by the beautiful rendering of "The Holy City."

A Communion service will be held in the United Church at the morning service of Sunday, March 29.

The ones who have been attending the evening services of the United Church have heard the last few Sundays, a very fine and inspiring series of sermons on patriotic subjects delivered by Rev. Mr. Lapp. The sermon on "Canada, Not Without Us," delivered last Sunday evening, was especially fine, emphasizing as it did the need of the help of each one of us to our native land.

The choir concert to be given by Westminster - Central United Church choir from Toronto, will be held on Thursday, March 19. The first part of the concert will be light opera work, and other music of a like nature. The latter part will be Lenten and Easter music. Some of the artists assisting in the program will be Edgar Goodaire, organist and choirmaster, known also in radio work. Clarence Brush, baritone, and Betty Barron, contralto, established artists in Toronto musical circles. Heloise Macklem, soprano, and Edward Maxfield, tenor, soloists of considerable promise. The concert will be given in the United Church under the auspices of the local choir. The concert will begin at 8 o'clock p.m.

Miss Helen Smith and Miss Vivian Rutledge, and Mr. Arthur Sedgwick and Mr. Allan Trall of Toronto visited Rev. Mr. and Mrs. Lapp last Sunday and attended the evening service of the United church.

Mr. and Mrs. George Hamilton visited Rev. Mr. and Mrs. Fockler

Sunday visitors with Mrs. Boden and Mrs. C. Paisley were Mr. and Mrs. Garnet Pegg and family of Beeton, and Mr. C. Paisley of Toronto.

Pte. Nelson Boden of Toronto was home on Sunday.

Bill Brown who was on the staff of the Dominion Bank here is visiting his many friends in town before beginning training in the R.C.A.F.

Mrs. Bill Morton, Mrs. Morley Case, Miss Doris Draper and Miss Doreen Storach were in Toronto on Thursday to see "Captains of the Clouds."

Former Mount Albert Boy Dies in U.S.A.

Mrs. Roy Carr received word that her uncle, Mr. Jas. R. Weddell had passed away on Feb. 26, after several weeks' illness in the Milwaukee hospital, Milwaukee, Wis. Mr. Weddell was born near Mount Albert, the oldest of a family of five children of the late Jane Wheeler and Jacob Weddell, on June 24, 1867. He has resided in the U.S.A. for over fifty years. For the past five years, since retiring as a railway engineer, has lived in Milwaukee, Wis.

Surviving are his wife, Nina Sheppard, one daughter and one grandson, two nieces and two nephews.

Mr. Weddell received most of his education in the old school-house near the Mount Albert cemetery, north of the village.

Franklin Dam Burst Monday Morning

Early Monday morning the dam at Hammett's pond at Franklin, a mile and a half south of Mount Albert, burst with a terrible force, scattering debris several hundred yards, and flooding the flat country for about three square miles. The tracks on the C.N.R. just below Mount Albert station were badly washed out requiring a work train to be here most of the day at Maple recently.

Pte. Gordon Smith visited at his home last week.

The group who have been holding discussion groups after the Farm Forum on the radio Monday evenings, report very helpful discussions. The meeting was held at the home of Mr. and Mrs. Ewart VanNorman last Monday.

repairing the damage. Everything possible was done to support the dam, even a large quantity of rye flour from the mill being bagged and used as support. The pond is a trout reserve, and covers about twenty or more acres. The biggest loss to Mr. Hammett is the dam which will cost quite a sum to rebuild. Also some of the products in the mill were slightly damaged, as well as all of his hens being drowned.

A public meeting was held in the interest of the Red Cross society of Mount Albert, asking suggestions for money making. Several suggestions were put forth, and it was decided to hold a bingo and game night, finished with a dance, on Friday evening, March 20.

An auction sale was planned for which articles are asked from the whole community. The date of this will be announced in a week's time, but it will be in the very near future. Active committee were formed, and it is hoped the support of the entire township will be given both these enterprises. Tickets are now on sale for the drawing of the beautiful hand-made spread, donated by the ladies of Mill St. There is a second drawing on this—a hand-made quilt, bright and durable. Tickets can be had from people in the town.

The Red Cross has not asked for any support in the way of finance, since the first week in November 1941, and we do ask that everyone will be generous with the society.

BLOOMINGTON

Mr. and Mrs. L. Legeer of Box Grove were at her father's, Mr. P. Brown's, on Sunday.

Mr. and Mrs. P. Brown spent Sunday at Wexford.

"This Way Please" and "The Bandit Trail"

Dial twisters who dote on Fibber McGee and Molly, and on Mary Livingstone, famed saleslady for a certain gelatin product, will have a chance to see their favorites on the screen on Friday when Paramount's merry musical "This Way Please" arrives at the Strand Theatre.

Playing the romantic leads are blonde Betty Grable and Charles "Buddy" Rogers. Ned "Dead Pan" Sparks has a featured comedy role. Laden to the plimsoll line with hit tunes, funny situations and beautiful girls, "This Way Please" has been acclaimed by critics as a "must be seen" picture.

Most of the action takes place in a modern super de luxe motion picture palace where Fibber and Molly, a pair of autograph hunters, stumble into a hurricane of laughs and fun when they wander back stage. Top comics of the air waves, this pair turn in, according to all reports, a funnier performance than anything they've done on the ether.

As an added feature, Strand presents Tim Holt in "The Bandit Trail."

"Trail of The Lonesome Pine" and "Call Out the Marines"

"The Trail of The Lonesome Pine," opening Monday at the Strand, co-stars Sylvia Sydney, Fred MacMurray and Henry Fonda, and was actually filmed outdoors and in technicolor. It is based on John Fox, Jr.'s famous novel, "Trail of The Lonesome

Pine." On the same programme, "Call Out the Marines," starring Victor McLaglen and Edmund Lowe, the lusty lovin' leathernecks of "What Price Glory," promises to be one of the best comedy hits of the season, introducing five hit tunes by Greene and Revel.

"Unfinished Business" and "Navy Blues"

Every element of popular film fare is contained in "Unfinished Business," the current attraction at the Strand Theatre. It is a comedy-drama with emphasis on the drama, and just enough comedy injected to keep the story moving lightly and to not distract from the keenly drawn dramatic values. It is another triangle love story with Irene Dunne, Robert Montgomery and Preston Foster composing the triangle and holding it up with magnificent performances. Irene Dunne plays the role of a small-town girl from Ohio, who goes to New York in search of a singing career. She eventually finds herself in love with one man and married to his brother, and the story of the film is principally the unravelling of this complex problem. It is an up-to-date film, with Montgomery, the player opposite Miss Dunne, enlisting in the army to "forget and start life again," when his brother breaks up their marriage.

"Navy Blues," a story of reckless gobs and gorgeous gals frolicking on and off a battleship in Hawaii, and starring Warner Bros. cinema clowns, Ann Sheridan, Jack Oakie, Martha Raye and Jack Haley, will start at the Strand Theatre here Wednesday.

Radio's famous Molly, of Fibber McGee and Molly, is in the middle again, this time on the screen in Paramount's hilarious comedy musical "This Way Please," opening Friday at the Strand Theatre. The beautiful usherette in the picture is Betty Grable, while the bespectacled gentleman on the right is Fibber himself. Helping this trio keep up the film's furious pace is another top-flight radio funster, Mary Livingstone, and Ned "Dead Pan" Sparks. The romantic lead opposite Betty Grable is taken by Charles "Buddy" Rogers.

PEPPERLAW

On Wednesday, March 4th, approximately 90 friends, neighbors and relatives gathered at the home of Mr. and Mrs. Albert Weir, Pepperlaw, to present their son, Charles, and his bride, (the former Velma Yate, of Stouffville), with a handsome anti-aircraft chest full of silver, and various other beautiful gifts. This large gathering of people is an indication of how popular Mr. and Mrs. Weir and family are in this community. With Mrs. Roy Cronsby and Miss Mary Laviolette at the piano, and Mr. Joe Greenwood on the violin, the evening was spent in singing old time and modern songs. Presiding at the tea table, which was attractively arranged, were Mrs. John Laviolette, Mr. Joe Laviolette, Mrs. Willard Arnold; assisting in the dining-room were Miss Mary Laviolette, Miss Verna Arnold, Miss Jean Brown, and Miss Mary Weir.

Inquisitive Person (questioning a member of the parachute troops) "It must be exciting to be a parachute jumper. No doubt you've had some terrible experiences."

HOLLAND LANDING

Mr. Walter Bell of Aurora spent the weekend with his mother, Mrs. Fred Bell here.

Mr. and Mrs. Frank Shields, and Mr. and Mrs. D. Smith, who spent the winter in Windsor, have returned to their homes here.

We are glad to hear that the Atkinson kiddies, who were struck by a car while sleigh-riding a week ago, are doing nicely. Frankie and Blanche are able to be out again to school, but Lila, whose leg was broken in two places, is still in York County hospital.

Don't forget the Y.P. Guild of the United church next Wednesday evening. The meeting will be in charge of the Rev. N. E. Bowles, with a social hour to follow. Everyone over 14 is welcome.

Mr. and Mrs. Bate of Quebec spent the weekend with Mr. and Mrs. J. Bate and family.

Mrs. H. Long has received word recently that her husband, Pte. H. Long, has arrived safely in the British West Indies.

Mr. Gordon Kitching of Toronto spent the weekend with Mr. and Mrs. Jack Kitching.

Miss Bessie Evans and Miss Kay Rutherford of Orillia were guests over the weekend of Mr. and Mrs. M. Evans.

Miss Dorothy Snepard, a pupil of Holland Landing public school, knit a pair of socks and gave them to the East Gwillimbury Red Cross society. She received the following letter in reply:

Dear Dorothy,—
Here's a few lines from a sailor who got your socks. I'm sorry to say I am not a soldier, but what's the diff. anyway. Also I hope you forgive me being English too, but believe me we need all the socks we can get. It's darn cold just now on the sea, and a lot colder in an open boat, and the socks fit fine.

If you had not told me your age I would never have believed a girl so young could have done such fine work, so I say thanks, and keep up the good work. Here's wishing you all you wish yourself, and lots of luck for your work. I should say 'fine work.' Cheerio.

Mr. and Mrs. John Dutcher of Kettleby celebrated their 62nd wedding anniversary this week. They enjoy good health and expect to be back in their own home at Kettleby during April after spending the cold weather visiting their children. The anniversary party was held at Mr. and Mrs. Bill Gillham's, Markham.

Toronto Centre North, Presbytery announce a "Play Party" led by Miss Nellie Lewis, author of book on games, and other works, the party to be held at Aurora United church, on Friday, February 20, at 8 p.m. A pot-luck lunch will be served. Presbytery Y.P.U. members and friends are urged to remember the day and date, Mar. 20.

Major Watson of Toronto will speak in the interests of the Red Cross at Schomberg on March 11. The public is cordially invited to hear him. He always has interesting things to tell about. He will also explain an official movie film.

King hockey team excelled in its second series of play-downs at Glencoe, against Glencoe team on Friday night, 7 to 3. They journeyed 175 west to meet a team of real sports and were officially welcomed and treated royally in every respect. King club played a smooth game with plenty of vigor and very few penalties all around. Glencoe meet King at Aurora this week. As soon as the game was finished about 11 a.m., results were phoned into King City, where all the unlucky stay-at-homes waited with abated breath for the outcome.

Laskay W.I. euchre scored off 24 tables last Friday night, and prizes went to Mrs. B. Lloyd, Mary Wilkie and Mrs. W. Monkman; Kenneth Blanchard, Douglas Chubb and W. Burns. March 20 is the date of the next game.

Contractor Jas. Brown & Son expect to continue building at Lake Simcoe well up to May. They are erecting a big summer resort quarters.

Fire razed the "little barn" at Mary Lake farm a couple of weeks ago, the origin unknown. A quantity of grain, and 100 pigs were lost, and damage was roughly estimated at \$5,000. Remember the days when July 1 dances were held in

this building? Everybody danced the day's celebrations to a finish. Loss was covered by insurance. Unfortunately no fire reels could enter the farm because of snow blocked lanes.

Schomberg W.I. realized \$18 from a euchre on Friday night last, proceeds for W.I. work, and \$33 from a \$4 box of groceries, donated by D. B. Davis. The \$33 goes to Red Cross branch of the township.

Schomberg Creek took on much volume after Sunday night rains and one resident's cellar held water up to the owner's knees. Humber River spread itself out over Humber Trails flats on Monday, a precedent for some years, residents stated. Hauling water will not be a necessity for some time.

Maple Y.P.U. were visitors of the King group at the United church on Monday evening.

Temperanceville W.I. served refreshments at the Barker sale last week and did very well.

The ladies of King City United church are holding a St. Patrick's supper in the Sunday school room on Tuesday, March 17, from 6 to 7.30. A programme will follow, invitation open to all.

KING BAPTIST CHURCH

The Immanuel Baptist church near Kettleby will in future hold service each Sunday morning at 11 o'clock new time, instead of standard time as formerly. The pastor, Rev. Harry Wilson, will preach next Sunday. Sunday school at 10.30 a.m.

CLEAR TELEPHONE LINES FOR

All-Out Production

TWENTY TIMES as many ships of war

Our present fleet of over 300 naval vessels of all types is twenty times its pre-war strength. New shipyards and drydocks have made extra demands on engineering works for turbines and Diesels. Side by side with it has grown the cargo-vessel building program . . . But that's another story!

To co-ordinate the whole and keep ships sliding down the ways is a job which makes heavy demands on telephone facilities. You can help by "rationing" the number and the length of your telephone calls. Your home or office telephone is part of a balanced, interlocking system — an unnecessary call may delay urgent wartime business. Whenever you lift the receiver . . . please remember to use "Wartime Telephone Tactics."

WARTIME TELEPHONE TACTICS

- BE SURE you have the right number . . . consult the directory.
- SPEAK distinctly, directly into the mouthpiece.
- ANSWER promptly when the bell rings.
- BE BRIEF. Clear your line for the next call.
- USE OFF-PEAK hours for your Long Distance Calls.

These things may look trifling, but on 6,500,000 daily telephone calls, they are very important.

The Red Cross would like to thank the ladies of town who so kindly donated pies for the seventy men under the command of Lieut. Bell, A.Q. Wing No. C.Q.C. (A.T.C. Armored Corps). These men passed through town on Monday, and had noon dinner at the town hall. The society express grateful appreciation to Ald. Bowser who kindly collected and delivered the pies.

SUTTON EDGE MIDLAND 3-1

Paced by Harvey Gibney, Newmarket blonde, who helped himself to a smart second period goal and a third period assist. Sutton edged Midland at home Friday night 3-1 before a capacity crowd. Harry Culverwell, heady Suttonite, also counted the same scoring points with Joiner McComb sinking the winning tally.

The only goal that eluded goalie "Ginger" Hall came after sixteen seconds of the opening gong, and it was good up until almost halfway through the second stanza, when Gib, on a sweet solo effort tied things up. Bill Burkholder, Queensville native, turned in a superb effort on the defense, sweep-checking the puck away from countless Midland attackers.

Bill Roberts was again the bad man of the session, but his three penalties were for trivial offenses, and Referee Holmshaw overlooked worse acts of aggression. Joint McComb was paid particular attention to by the homesters, but eluded his checks long enough to tally one chucker.

This game ended the round-robin series and gave Sutton the advantage of home ice twice, if three games are necessary, to declare a winner.

Sutton—Goal, Hall; defense, Burkholder and Pringle; centre, McComb; wings, Culverwell and Roberts; subs., Gibbey, Diplock, Gibney.

Midland—Goal, White; defense, Sagar and Scott; centre, O'Hearn; wings, Antonio and Brodeur; subs., Stewart, Toole, Deschamps, Wilcox. Referee—Ken Holmshaw.

First Period.
1—Midland, Toole (Stewart) 16
Penalties—Burkholder and Scott

Second Period.
2—Sutton, Gibney (Culverwell) 7:33

Third Period.
3—Sutton, Culverwell 13:55
4—Sutton, McComb (Gibney) 14:19
Penalty—Roberts.

SUTTON

The Sutton branch of the Canadian Red Cross Society has an active organization which includes the Junior Club, a small group of Junior girls who raise their own funds to buy yarn and material, which they knit and make into garments for British children overseas. The public and high schools have contributed substantially in knitting, sewing, quilting blocks, and also packing ditty bags for the navy. At the other end of the rainbow, the branch is ably supported by Mrs. Della Kay of 96 and Mrs. J. Patterson of 100 summers, who knit scarves and socks. James Taylor, who has said goodbye to 80 years, has made and contributed a tray which brought nearly \$30. The branch raises its funds through membership and other activities. Recently it held a "Rag Day," which netted \$50.32, and a Valentine party realizing \$90.35. For two weeks the branch displayed an exhibit of its work in conjunction with the Victory Loan campaign.

The articles listed below represent its latest shipment to headquarters and covers six weeks' work:

Seamen: 10 turtle-neck sweaters, 5 turtle-neck tuckins, 3 leather vests, 7 helmets, 15 pair mitts, 5 scarves, 7 pair socks; Army and Air Force: 70 pair socks, 8 pair gloves, 36 helmets, 27 scarves, 4 turtle-neck sweaters, 10 sleeveless sweaters; Refugee supplies: 15 dresses, 10 pair mittens, 35 women's nightgowns, 25 babies' nightgowns, 5 pair men's pyjamas, 5
